**LED Product Show & Tell**

Presented by:

**Major\_LED\_Manufactures**

LED lighting equipment for residential/nonresidential building design and installation.

- **LED** helps you find the most cost effective solutions for your projects, residential or commercial.
- **LED** helps residential/commercial projects better comply with Title 24.
- **LED** are low UV emission source for archival lighting.
- **LED** new & current lighting products meet these needs for sustainable design.
- **LED's** are reducing maintenance costs (longer lamp life).
- **LED's** can add **COLOR** to your projects!
