## MISSION SECTION

### Lighting and Daylighting For Sustainable Commercial Spaces

Marmalade Cafe  
at LaCumbre Plaza  
Tuesday, Jan. 17, 2012  
6PM

#### Program

This presentation will focus on:

1. Identifying lighting technology and daylighting integration opportunities that support the future of sustainable design (inclusive of the LEED process).
2. Fulfilling the energy code requirements.
3. Benefits of maximizing the quality execution of lighting in the space.

Before delivering a one-hour AIA/USGBC and IES registered presentation entitled "Lighting and Daylighting for Sustainable Commercial Spaces" - Mr. Chip Israel, will introduce the new Strategic IES Plans for the future, discuss the merits of IES membership, show the new Tenth Edition IES Handbook.
