

TOUR OF BEGA FACILITIES

Tuesday - January 15 at 7:30 PM, Carpinteria, CA

Program

TOUR OF BEGA FACILITIES

Join us at BEGA's Carpinteria facility for an informal walking tour of their facility and grounds. This evening tour will feature some of the latest solutions for both exterior and interior lighting. You will be able to compare and evaluate luminaires using conventional light sources to the latest luminaires using LED sources. Specific areas that will be covered are:

- LED Update
- Area and Roadway Lighting Examples/Demo
- Floodlighting Examples/Demo
- Façade Lighting Examples
- Tree Lighting Examples
- Fountain Lighting Examples
- Interior lighting comparing 3K to 4k color source
- Demonstration of lighting control and security system

We look forward to a lively discussion of lighting application, concepts, and effects.
