ENGINEERING SOCIETY

Dear IES Santa Barbara Website & Email Sponsors:

We are embarking on our 2018 Website & Email Sponsorship campaign and I am counting on you to show your support. This year's sponsorship campaign — **Lighting Community Sponsors** — reflects the Section's commitment to growing a strong community of industry leaders and our reliance on industry leaders to support our good works.

Throughout the year, the IES Santa Barbara publicly thanks our Website & Email Sponsors and as Website Manager of the Section, I would like to personally thank you in advance for becoming a Sponsor. Without the generous financial support of our sponsors, we could not fulfill our mandate to educate current and future lighting professionals.

Yours in Light,
Trish Odenthal
